PROJECT COMPLETION

A bespoke finish at 60 Threadneedle, featuring Alto Cito WC superloo cubicles, Concerto HPL duct panels, and a Corian vanity unit with hairdryer station. The space also includes Octave HPL lockers, a FENIX towel station, and custom upholstered seating — combining quality materials with a refined, contemporary look.

PROJECT PROGRESS

Work is moving ahead smoothly at 16 Whitfield Street, where our latest washroom fit-out is beginning to take shape. The project includes Alto veneer cubicles, Corian vanity units, Tegos duct panels, and Forza lockers, coming together to create a sleek and modern design with a high-quality finish.

PROJECT SPOTLIGHT

Our latest completion at 20 Gresham Street showcases craftsmanship, precision, and attention to detail throughout. Featuring Alto Cito veneer cubicles, HPL duct panels, and Dekton vanity tops with a Roma fluted fascia, the result is a refined, textured finish with a premium feel.

PRODUCT SPOTLIGHT

The Concerto Glass range combines sleek design with strength and durability. Available in a variety of colours and finishes, it offers a bright, modern look ideal for high-end washroom spaces.
