WEBSITE LAUNCH

Our brand new website is now live, featuring a completely refreshed design with a cleaner layout and easier navigation. Every page has been rebuilt from scratch to give you a smoother, more modern experience as you explore our products and projects. We are excited to share this newsletter with you directly on the new platform.

Services

Specification Support

Architects, designers, and clients right materials, finishes, and details to meet performance, and budget requirements.

Sales & Estimating

Providing accurate quotations and value engineering options on time, to ensure your project stays on budget without compromising quality.

Design

We transform architectural design concepts into reality, with Washroom expertise recognised for exceptional design care and sample su

Manufacturing

With over 70,000 square feet of space, Washroom leverages machinery to consistently deliver high-quality projects.

Install

Professional on-site installation by experienced in-house teams, ensuring compliance at every level and achieving snag free completion.

Aftercare

We provide ongoing support to project completion to ensure lasting and trusted client partnerships.

PROJECT COMPLETE

The Angel Square washrooms are now complete, featuring Alto veneer cubicles and bespoke urinal screens. The standout element is the Corian vanity, with its elegant facia, integrated mirrors and seamless tissue and waste solutions creating a cohesive, refined finish.

WASHROOM X FITZROY

We worked with Fitzroy of London on the 169 Fulham Road project, delivering inclusive, design led accessible washrooms. "A pleasure to collaborate, bringing accessible design to life with real attention to detail."

Matthew Wilkinson,
Fitzroy London.

PROJECT PROGRESS

Work is progressing well at 4 Coleman Street, where our bamboo doors are now in place. Bamboo is a fast-growing, renewable material, making this a great step toward a more sustainable finish.
