

Alto Cubicles

Alto provides an unrivalled design statement for areas where luxury and uncompromising style are essential.

The full height, rebated flush system offers a virtually seamless façade. Finished in real wood veneer, high pressure laminate (HPL), Corian or lacquer and complemented with the highest quality d line fittings, Alto is the ultimate design statement.

- ✓ Ideal for areas where a high specification finish is required
- ✓ Full height, floor-to-ceiling design for complete privacy
- ✓ Choice of finishes including any real wood veneer, laminates from a range of collections, and any Corian or RAL colour
- ✓ High quality d line ironmongery available to specify in a range of colours including copper and brass and as either brushed or polished effect

Specifications

Alto Cubicles

Pilasters and doors

Manufactured from 44mm chipboard, faced in high quality real wood veneer, high pressure laminate (HPL), Corian or lacquer. Lipped in matching/ complementing hardwood and rebated to create the flush design.

Partitions

Three options available

Option 1: Floor to ceiling treated PAR softwood timber frame, laminated where required to create flashgaps with 2 No. panels fitted either side to give an 84mm thick dividing partition.

Option 2: 12mm MR MDF central dividing panel fitted floor to ceiling with 2 No. panels fitted either side to give a 60mm thick dividing partition.

Option 3: 2 No. 44mm chipboard panels lipped in hardwood then laminated both sides with either real wood veneer or high pressure laminate (HPL), fitted to floor and ceiling with hardwood splines.

Fittings and door furniture

d line stainless steel indicator bolts, Royde & Tucker fall closed hinges, stainless steel coat hook and hydraulic door dampener.

Dimensions

Height: full height up to 3000mm

Floor clearance: 20mm (door undercut)

Depth: 1500mm - 1800mm

Other sizes are available

Access considerations

Alto cubicles are available in configurations to comply with approved Document M complete with outward opening doors.

A stainless steel pull handle is supplied to the outside face of all outward opening doors as standard. Complementary grab rails are also available.
