

# Alto Kristalla Cubicles

Based on the popular full height Alto cubicle system, Alto Kristalla has the same rebated edges for a flush façade but with 6mm glass adhered to the face to create a striking high specification finish.

The toughened glass can be back-painted in a wide range of colours, with the option to pick out the pilasters in a different colour or complementing tone for contrast.

- ✓ Ideal for areas where a high specification finish is required
- ✓ Full height, floor-to-ceiling design for complete privacy
- ✓ Alto Kristalla can be back painted in any available RAL colour
- ✓ High quality d line ironmongery available to specify in a range of finishes including copper and brass and as either brushed or polished effect

## Specifications

# Alto Kristalla Cubicles

### Pilasters and doors

Manufactured from 44mm chipboard, edged in matching/complementing hardwood. Edges are then rebated to create the flush design. Once this is complete, 6mm glass is then bonded to the front façade.

### Partitions

Three options available

**Option 1:** Floor to ceiling treated PAR softwood timber frame, laminated where required to create flashgaps with 2 No. panels fitted either side to give an 84mm thick dividing partition.

**Option 2:** 12mm MR MDF central dividing panel fitted floor to ceiling with 2 No. panels fitted either side to give a 60mm thick dividing partition.

**Option 3:** 2 No. 44mm chipboard panels lipped in hardwood then faced both sides with high pressure laminate (HPL), fitted to floor and ceiling with hardwood splines.

### Fittings and door furniture

d line stainless steel indicator bolts, Royde & Tucker fall closed hinges, stainless steel coat hook and hydraulic door dampener.

### Dimensions

**Height:** full height up to 3000mm

**Floor clearance:** 20mm (door undercut)

**Depth:** 1500mm - 1800mm

Other sizes are available

### Access considerations

Alto cubicles are available in configurations to comply with approved Document M complete with outward opening doors.

A stainless steel pull handle is supplied to the outside face of all outward opening doors as standard. Complementary grab rails are also available.
