

# Bambino Cubicles

**Bambino is a full sized cubicle with reduced height doors to facilitate supervision and to alleviate any intimidation that a standard cubicle may impose on young children.**

Manufactured from solid grade laminate (SGL), Bambino cubicles combine a front mounted headrail with sweeping curves to the doors.

- ✓ Toilet cubicles with reduced height doors (available in different sizes)
- ✓ Curved doors add interest to the design
- ✓ Manufactured from SGL with SGL headrail straps for durability
- ✓ Available in a wide range of colours and contrasting pilasters

## Specifications

# Bambino Cubicles

### Pilasters doors and partitions

12/13mm solid grade laminate (SGL) with edges machined to a smooth finish.

The pilasters are also radiused to soften the visual impact and provide a unique aesthetic.

### Fittings and door furniture

Stainless steel 4" butt hinges, coat hook, pedestal legs with easily operable cast plastic indicator bolt, full length satin anodised aluminium channels and solid grade laminate (SGL) headrail straps.

### Dimensions

Height: 2075mm to top of pilaster

Floor clearance: 150mm

Depth: 1500mm - 1800mm

Other sizes are available.

### Access considerations

Bambino toilet cubicles are available in configurations to comply with approved Document M complete with outward opening doors.

A stainless steel pull handle is supplied to the outside face of all outward opening doors as standard. Complementary grab rails are also available.
