

# Forte Cubicles

Designed for use within wet and dry areas, Forté is the perfect cubicle for use in schools and any other environment subject to high traffic.

As solid grade laminate (SGL) is highly durable and totally impervious to water, Forté can be used as shower and wet area changing cubicles. With a contemporary continuous headrail for excellent lateral stability Forté cubicles offer an affordable and long term solution.

- ✓ Contemporary continuous headrail offers excellent lateral stability
- ✓ Manufactured from solid grade laminate (SGL) making it ideal for shower and changing cubicles
- ✓ Available in a wide range of finishes and colours
- ✓ Satin anodised aluminium pedestal legs

# Specifications
