

Granite/marble Vanity

Offering all the luxury of a natural material which is as hardwearing as it is beautiful, both granite and marble are perfect for the most exclusive washrooms.

Arpeggio granite and marble vanities are available in a range of finishes which are defined with rich veining that reflects the beauty of natural stone to add a luxurious finish to your washroom.

- ✓ Highlighting the beauty of natural stone for a luxury washroom space
- ✓ Durable and difficult to scratch
- ✓ Individual granite and marble pieces are shaped to suit your requirements with polished edges as required
- ✓ Manufactured to include either inset or countertop ceramic sinks with complementing vanity upstands of the same natural stone available
