

Legato Benching

A totally new design concept, the Legato bench is available either freestanding or wall-mounted.

It comprises a satin anodised aluminium support construction with a wide range of profiled seating options together with complementary solid grade laminate (SGL) hookrail.

- ✓ Free-standing or wall-mounted with three seat options available
- ✓ Manufactured from satin anodised aluminium sections with either SGL or hardwood slats
- ✓ Complementary solid grade laminate (SGL) or satin anodised aluminium section hookrail
- ✓ Can be fitted with a matching shoerack

Specifications

Legato Benching

Specifications

Supports manufactured from satin anodised aluminium sections with floor adjustment.

Bench styles include floor mounted to wall, floor mounted island, wall mounted (cantilevered) and full island with high level hookrails.

Seat options

Three options available.

Option 1: Single 300mm wide seating plank is manufactured from 12/13mm solid grade laminate (SGL).

Option 2: Single seating plank machined with integral slots for slatted appearance, maintaining much of the strength of a single piece. 300mm wide, manufactured from 12/13mm solid grade laminate (SGL).

Option 3: Comprises three individual hardwood slats 30mm thick x 90mm wide. Finished with two coats of AC lacquer.

Hookrails

Complementary solid grade laminate (SGL) hookrail with buffered stainless steel hooks or optional satin anodised aluminium section with captive hooks.

Dimensions

Height: 450mm (top of seat)

Width: 300mm - 650mm

Access considerations

Legato benching is manufactured to suit your specific requirements including the current recommendations of Sport England i.e. 450mm wide x 480mm high.
