

Luminoso Glass

Luminoso Glass is an alternative shower cubicle to the popular Luminoso Acrylic cubicle.

Manufactured with high specification 10mm clear float toughened glass for the doors, pilasters and division panels, in lieu of acrylic.

- ✓ Manufactured from 10 mm clear float toughened glass with 100% white screenprint to the reverse
- ✓ Option to specify laminated glass as well as low iron glass
- ✓ Stainless steel tubular headrail, pedestal legs and pull handle to the outside of each door
- ✓ Chrome nickel plated double swing hinges (self-closing from 25 degrees)

Specifications

Luminoso Glass

Pilasters, doors and partitions

10mm clear float toughened glass with 100% white screenprint to the reverse of each panel. Low iron glass is also available to achieve a clear glass finish, rather than the green tinge of standard glass.

Headrail

Stainless steel tubular headrail

Fittings and door furniture

Chrome nickel plated double swing hinges (self closing from 25 degrees), stainless steel channel cleats, coathook, pull handle to the outside of each door and stainless steel pedestal legs.

Dimensions

Height: 2026mm

Floor clearance: 80mm (door undercut)

Depth: 1500mm

Access considerations

A stainless steel pull handle is supplied to the outside face of all outward opening cubicle doors. Complementary grab rails are also available.
