

# Alto Cito Cubicles

**Alto Cito - our popular full height Alto toilet cubicle reimagined with outwards opening doors for access in an emergency.**

With its full height rebated flush system offering a virtually seamless façade, Alto Cito delivers an unrivalled design statement – it's safe and secure but also uncompromisingly polished in its design.

- ✓ Full height, floor to ceiling design for complete privacy
- ✓ Simple and easy to use outward opening door to provide emergency access
- ✓ Fully compliant with building regulation Part M
- ✓ Bespoke to suit clients' requirements

# Specifications

# Alto Cito Cubicles

## Fittings and door furniture

d line stainless steel indicator bolts, Royde & Tucker fall closed hinges, stainless steel coat hook & hydraulic door dampener.

## Pilasters and doors

Manufactured from 44mm chipboard, edged in matching/complimenting hardwood then faced in high quality real wood veneer. Edges are then rebated to create the flush design.

## Partitions

No. 44mm chipboard panels lipped in hardwood then laminated both sides with real wood veneer, fitted to floor and ceiling with hardwood splines.

## Dimensions

Height: Floor to ceiling (maximum 3m)  
Floor clearance: 20mm (door undercut)  
Depth: 1500mm / bespoke

## Applications

Toilets, Changing, Showers, End of Trip.

## Access considerations

Complementary grab rails available.
